The AI Machine

Reimagine the Photobooth

This isn't your average snap-and-print setup.

Our **AI Photobooth** blends cutting-edge tech with interactive fun — instantly transforming your photo into stylized art, playful outfits, or even branded looks.

In just 30 seconds, guests walk away with a high-quality **photo print or fridge magnet** — a keepsake that's as unique as the moment.

Whether it's a corporate event, wedding, or brand activation, this is the crowd-puller that gets people talking (and lining up).

Smart. Stylish. Seriously fun.

The AI Machine

CHOOSE IT

1: Choose Your Keepsake

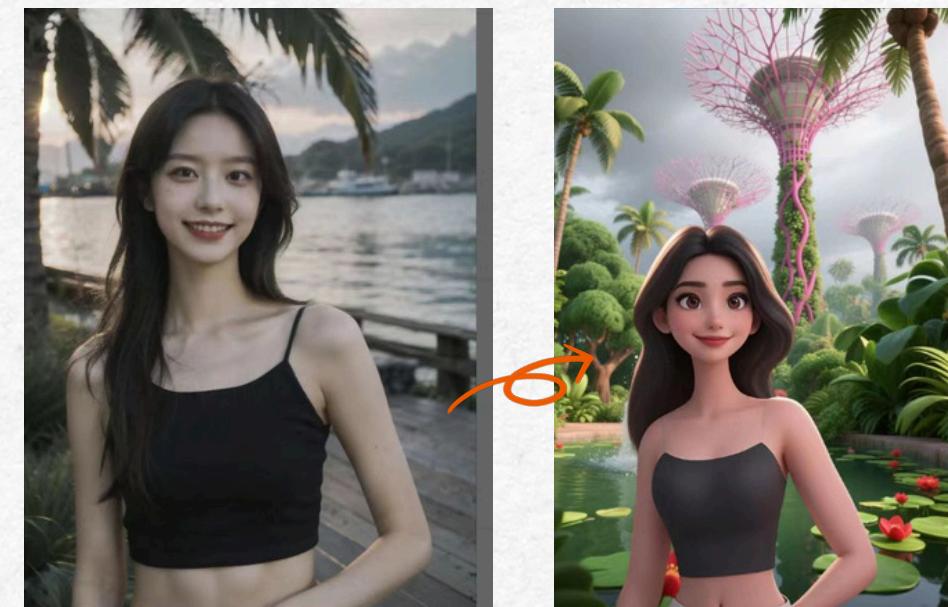

Photo print or fridge magnet?
Pick your preferred format.

STYLE IT

2: Pick Your Style

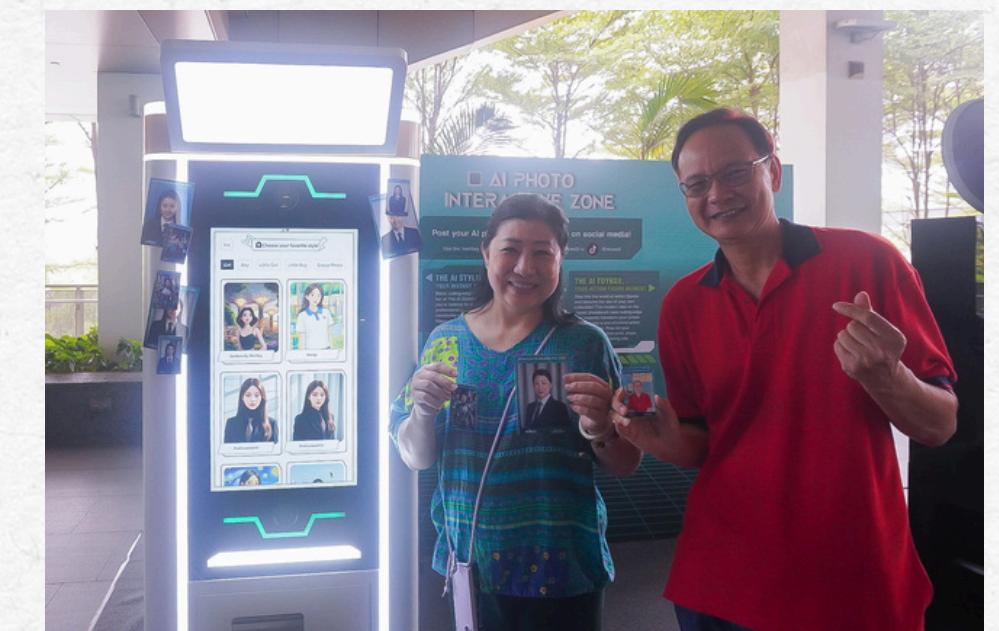

From Disney-style portraits to traditional costumes or even an Ironman suit — explore a range of AI-generated looks that bring your imagination to life.

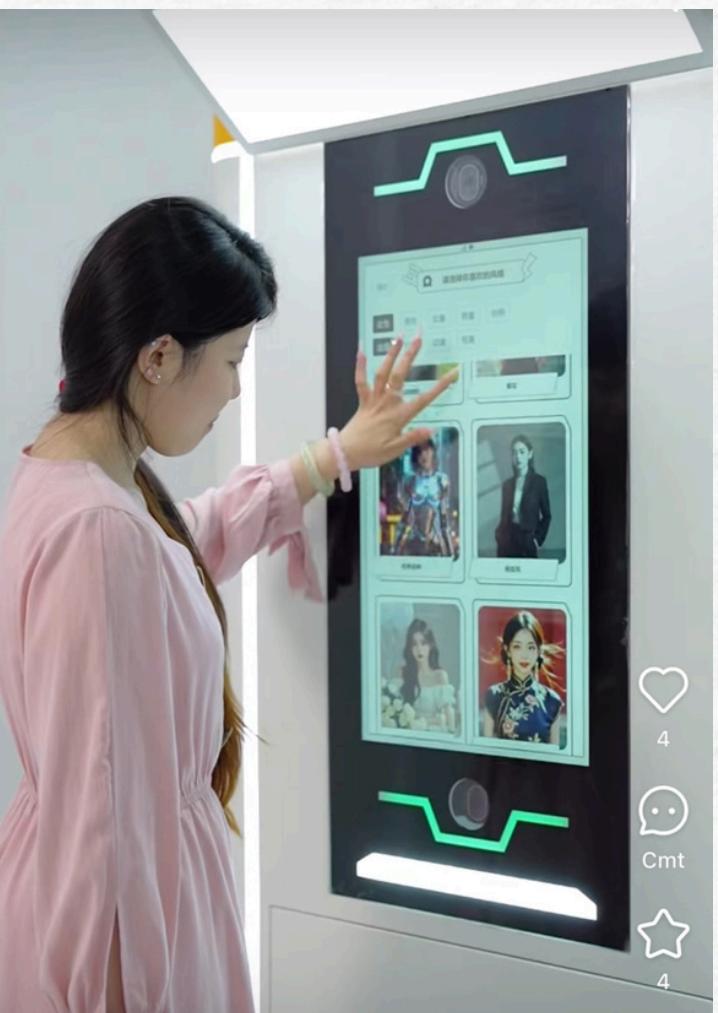

SNAP IT

3: Snap or Upload

Step into the frame and strike a pose — or upload your own photo if you prefer. Your keepsake will be ready in under 30 seconds!

The AI Machine

- 4K camera capture high resolution photo for a professional finish
